

**Axis Trampoline Club is a members-only club (membership is included in the entry fee). Upon signing in, members agree to the following rules:**

- All children must be accompanied by a responsible parent/guardian who must remain within the building at all times. Axis Trampoline Club does not accept responsibility for the supervision of children in this session. Parents/guardians must accept full responsibility to supervise their children at all times and ensure that they are capable of using the equipment safely.
- All parents/guardians must listen to safety instructions given by Axis Trampoline Club staff and follow these immediately. Failure to do so could lead to injury.
- If children or adults are breaking the safety rules, Axis Trampoline Club staff may need to physically intervene to avoid injury occurring. This will only be done when it is necessary to prevent injury to the individual or other members. By attending any session within the centre parents/guardians consent to this physical intervention.
- Shoes must be removed before entering the play area. No shoes should be on the mats or on any of the equipment/apparatus.
- Socks must be worn for Trampolining, but should be removed when using the foam pit.
- Adults are not permitted to bounce on the trampolines, enter the foam pit, or use any of the other gymnastics equipment for health and safety and insurance reasons.
- No more than one child is permitted to use a trampoline at any one time, and adequate spotting at the side of the trampoline must be provided by parents/guardians.
- Parents should never go under any of the trampolines, and should take steps to ensure the child they are supervising does not go underneath as well.
- The Airtrack is to be used in a one-way direction only (shown on signs within the centre) to avoid collisions with other users and prevent injury.
- No sharp objects should be taken into the play area, as these may cause injury and/or damage to the equipment.
- No food or drink items are allowed in the play area or on any of the equipment. Chewing gum is strictly prohibited.
- Children who are unwell, or who have been unwell should not visit the centre for at least 48 hours.
- Fighting, bullying, abusive/aggressive behaviour, or any type of behaviour deemed to be unsuitable towards staff, management or other members of the public, from either children or adults will not be tolerated under any circumstances. Please report any behavioural concerns to a member of staff. Don't attempt to intervene yourself. The management reserve the right to refuse entry and to enforce total bans.
- Please report all accidents/injuries/incidents to a member of staff. This will then be referred to the on-duty manager to ensure that we can provide any necessary assistance and minimise the potential of reoccurrence.

**Axis Trampoline Club staff supervise the play equipment to help maximise your children's enjoyment from the play experience. They are not however a replacement for parental supervision. Parents/guardians should note that whilst every consideration has been given to the safety of your children using the play centre, Axis Trampoline Club cannot be held responsible for accidents which occur as a result of children playing on the equipment.**
